# THE **CHILD'S PLAY** ALTERNATIVE WHEN PAYING SCHOOL FEES.

Introducing SFP.

Your monthly payment option.

We understand that the course of parenting doesn't always run smoothly. Thankfully with SFP, at least paying their school fees can.

As parents, we all want to give our children the best possible start in life, and a private education is one of the key ways in which we can equip them to take full advantage of the opportunities that life will bring.

SFP can help you do just that. Our payment smoothing service allows parents to spread the cost of school fees rather than paying a lump sum as each term's invoice is simply split into manageable monthly instalments. You simply need to be a UK resident aged over 18 with a bank account that supports payments by Direct Debit\*.
